Fire Chief McKellips reported they have been very busy and hopefully things slow down.

Bernie McLeod of the Transfer Station had a meeting on Sunday. It was decided that he will no longer accept the dumpster from Campit due to the fact that they are considered a business and should order dumpster service on their own. McLeod also stated that he will be having some gate repair done.

Julie Cowie from Casco Township introduced herself. She is one of three members who have formed a broadband internet service called Rural Gig. They are bringing high speed internet with unlimited data to our community. They are locally owned with custom installation. At the present time they have one tower at 111th and 68th and are putting up a tower at Scenic View Dairy. They are looking into adding more towers in the area.

Supervisor Giles reported a tube at 120th and 55th needs replacement. The estimate for this replacement culvert will be \$121,401.28. This amount will not be billed until next fiscal year (2020-21 Budget).
